

I'm honored to serve as a board of trustees of the Cottonwood Improvement District (CID).

I grew up in Sandy Utah where I met my wife and we have lived in Cottonwood Heights for the last nine years. We love our community and have enjoyed raising our children in an amazing city. I earned my bachelor's degree from the University of Utah and went on to obtain an MBA from Utah State University. My family and I are active throughout our community, routinely taking on opportunities to help, promote and support our neighbors and friends. We are also outdoor enthusiasts and enjoy taking advantage of all the activities and attractions our amazing state has to offer.

I believe we have a responsibility to take care of our community and neighbors in a manner that is responsive to our individual needs while ensuring fiscal responsibility and harmony within the community. I am honored to serve as a trustee and am humbled by the trust and responsibility you have placed in me. As a Board of Trustee, I will remain focused on providing exceptional services to our community, while ensuring we remain conscious of our responsibility, both fiscal and performance. I value your feedback and thoughts and look forward to serving my community. If you have questions, concerns, or matters for the Board of Trustees, please send them to jamesdurrant@cid.utah.gov.
